The College offers two-year International Baccalaureate (IB) Diploma program courses and is at present offering 5 subjects in Group 3 including Business Management, Economics, Geography, History and Global Politics all at Higher and Standard Levels. Given the students are allowed to choose the Group 3 subjects disregarding their background; teachers are expected to deliver the course effectively to cater for diverse needs and abilities of students. As students are selected on merit and awarded with scholarship to attend the College from around the world, there is a high standard of teaching required by the College. History and Global Politics are popular subjects with class size usually up to 20 students, with many students choosing to write their extended essays in these subjects. A lot of students taking these subjects are motivated to continue with them in university. Due to the increasing number of students taking two Group 3 subjects in their Diploma course, there is a need for teacher taking this role to be flexible in taking up different subjects including TOK. There is a team of teachers teaching Global Politics and there is plenty of resources

available to support this subject. The Department is also able to provide support to the teacher in the teaching of Business Management and Economics.

The Department has its own office and uses a modern suite of classrooms in the Academic Block. Staff at present comprises seven full-time teachers, one of whom is the Head of Department.
