
Fee Remission/Need-Based Scholarship Scheme

Year 2022/23 Intake

(for Local Hong Kong Applicants to Attend LPCUWC)

1. Introduction

- 1.1 The Fee Remission/Need-Based Scholarship Scheme (the “Scheme”) provides financial aid to students who have been selected for admission, in accordance with the UWC ethos that education should be independent of the students’ socioeconomic means.
- 1.2 Li Po Chun United World College of Hong Kong (“LPCUWC”) is a 2-year residential school and its school fee charged is an inclusive fee covering tuition and boarding. LPCUWC sets aside part of the total income from school fees for our Scheme each academic year.
- 1.3 School fee for Year 2022/23: HK\$300,000 #
School fee for Year 2023/24: HK\$304,000 #

Estimation only, subject to further change by the College Board and final approval by the Hong Kong Education Bureau
- 1.4 The Scheme is funded by generous donations from charities including the Li Po Chun Scholarship Foundation, Hong Kong Jockey Club, Lord Wilson UWC Scholarship Council and Li Po Chun United World College (Hong Kong), Limited.

2. Eligibility

- 2.1 All local Hong Kong students are eligible to apply for the Scheme to study at LPCUWC.
- 2.2 The applicant must be the student’s parent or legal guardian.
- 2.3 The Annual Adjusted Family Gross Income of the applicant (as defined below in clause 3.5) must be equal to or less than HK\$1.2 million. If the applicant’s Annual Adjusted Family Gross Income is greater than HK\$1.2 million, they will only be eligible for a merit-based token scholarship of HK\$500.

3. Amount of Fee Remission/Need-Based Scholarship

- 3.1 Subject to individual circumstances and assessment based on Annual Family Gross Income, Family Assets and the number of Dependents, the maximum fee remission/need-based scholarship is 100% of the total school fee.
- 3.2 A 100% fee remission/need-based scholarship provided by LPCUWC includes tuition, boarding and lodging, books, IB exam registration fees and the majority of school field trips.
- 3.3 Students on Comprehensive Social Security Assistance Scheme are also entitled to additional pocket money support from LPCUWC.
- 3.4 Parents will have to contribute to the difference between the school fee and the amount of fee remission/need-based scholarship. The amount of parental fee contributions is determined with reference to the Formula in Table 1 below:

Table 1: Formula for Fee Remission/Need-Based Scholarship Scheme

Total Parental Fee Contribution in HK\$ = (I) + (II)								
(I) Parental Fee Contribution based on a % of Annual Adjusted Family Gross Income								(II) Parental Fee Contribution based on a % of Assessable Assets
\$1,000,001	\$800,001	\$700,001	\$600,001	\$500,001	\$400,001	\$300,001	\$300,000 or Below or On Welfare	
\$1,200,000	\$1,000,000	\$800,000	\$700,000	\$600,000	\$500,000	\$400,000		
23%	20%	17%	14%	11%	8%	5%	0%	5%

3.5 Calculation method

Step 1: Determine the Annual Adjusted Family Gross Income:

Annual Family Gross Income - Allowance in relation to Dependents (\$30,000 x number of dependents)

Step 2: Calculate (I) Parental Fee Contribution based on a percentage of Annual Adjusted Family Gross Income

Step 3: Determine the Assessable Assets:

a) Assessable Assets for flat owners = Self-owned Principal Family Residence Market Value exceeding HK\$8.5m + Other Assets exceeding HK\$500,000

b) Assessable Assets for non-flat owners = Family Assets exceeding HK\$4.8m

Step 4: Calculate (II) Parental Fee Contribution based on 5% of Assessable Assets

Step 5: Total Parental Fee Contribution in HK\$ = (I) + (II)

Step 6: Total Fee Remission/Scholarship = School Fee - Total Parental Fee Contribution

4. Assessment Criteria

4.1 All applicants are subject to a means-test to determine the fee remission/need-based scholarship amount. When considering the amount of fee remission/need-based scholarship, applicants will be assessed on Annual Family Gross Income, Family Assets and the number of Dependents.

4.2 Annual Adjusted Family Gross Income means Annual Family Gross Income less Allowance in relation to Dependents.

4.2.1 Annual Family Gross Income refers to the annual income* specified in Table (A) of the applicant, the applicant's spouse and all contributions from child(ren)/relatives/friends, if applicable.

** Annual income, in general, refers to the total income earned in the year January - December 2021.*

4.2.2 Allowance in relation to Dependents means the number of Dependents multiplied by HK\$30,000.

4.2.3 Dependents, for the purpose of the fee remission/need-based scholarship application, are restricted to (i) applicant's dependent spouse, (ii) applicant's children under 18 and (iii) applicant's children over 18 but undergoing full-time education.

4.3 Family Assets include all assets of the applicant and the applicant's spouse in Hong Kong, the Mainland or overseas in their possession, a list of which is included in Table (B). The applicant and the applicant's spouse are also required to declare full details of all other properties which are held through a trustee or through any other means.

4.4 For flat owners, the market value of a self-owned flat used as the Principal Family Residence, net of the outstanding mortgage, below HK\$8.5m will not be counted as assessable assets. Apart from the first HK\$8.5m of the market value of the Principal Family Residence net of the outstanding mortgage, all other Family Assets more than HK\$500,000 will be counted as Assessable Assets (only the amount exceeding the first HK\$500,000 will be counted). The market value will be verified at the time of assessment through reputable bank(s) selected by LPCUWC.

4.5 For non-flat owners, Family Assets valued below HK\$4.8m will not be counted as Assessable Assets (only the amount exceeding the first HK\$4.8m will be counted).

4.6 LPCUWC has the absolute discretion over the assessment of Annual Family Gross Income, Allowance in relation to Dependents, Assessable Assets and the level of Parental Fee Contribution based upon the published applicable scheme updated from time to time. The information provided by the applicant must be true, sufficient and complete. A false statement may lead to disqualification of the application. Any omission/misrepresentation of information intending to obtain pecuniary advantage by deception is an offence and is liable to legal proceedings.

4.7 For unusual family financial circumstances, LPCUWC has the absolute discretion in determining the level of Parental Fee Contribution.

4.8 LPCUWC reserves the right to verify any information provided by the applicant in support of the application.

4.9 Examples of assessment are attached as Table (C).

5. Application for Fee Remission/Need-Based Scholarship

5.1 At the time of attending the final panel interview, applicants should submit the completed Financial Circumstances Form with all the supporting documents to the LPCUWC.

5.2 Financial assessment is usually carried out only once before admission. The amount of fee remission/need-based scholarship to the applicants for the first academic year will be determined at the time of offer. The amount of fee remission/need-based scholarship for the second academic year stated in the letter of offer is only an estimation which is subject to change by the College Board and final approval by the Hong Kong Education Bureau.

5.3 In case of extreme change in the financial situation of the family, applicants can re-submit an application for re-assessment at the end of the first academic year.

6. Notification of Results

6.1 Applicants will be informed of the result of their applications in writing if they are offered a provisional or confirmed place at LPCUWC.

7. Enquiries about the Scheme

School fee of HK\$300,000 for Year 2022/23 is an estimation, subject to further change by the College Board and final approval by the Hong Kong Education Bureau

Calculation Example - Family D:

Step 1: Determine Annual Adjusted Family Gross Income:

Annual Family Gross Income - Allowance in relation to Dependents (\$30,000 x no. of dependents)

$$\text{HK\$}500,000 - (\text{HK\$}30,000 \times 2) = \text{HK\$}440,000$$

Step 2: Calculate (I) Parental Fee Contribution based on 8% of Annual Adjusted Family Gross Income (as the family income falls within the category of \$400,001-\$500,000, the parental fee contribution (I) is at 8%):

$$\text{HK\$}440,000 \times 8\% = \text{HK\$}35,200$$

Step 3: Determine the Assessable Assets:

a) *Assessable Assets for flat owners = Self-owned Principal Family Residence Market Value exceeding HK\$8.5m + Other Assets exceeding HK\$500,000*

$$\text{HK\$}0 + (\text{HK\$}700,000 - \text{HK\$}500,000) = \text{HK\$}200,000$$

Step 4: Calculate (II) Parental Fee Contribution based on 5% of Assessable Assets:

$$\text{HK\$}200,000 \times 5\% = \text{HK\$}10,000$$

Step 5: Total Parental Fee Contribution in HK\$ = (I) + (II)

$$\text{HK\$35,200} + \text{HK\$10,000} = \underline{\text{HK\$45,200}}$$

Step 6: Total Fee Remission/Scholarship = School Fee - total Parental Fee Contribution

$$\text{HK\$300,000} - \text{HK\$45,200} = \text{HK\$ 254,800}$$
